Products available at Michaels.

Before you begin: Glue can be messy, so cover your work space with newspaper or scrap paper.

1 Choose a patterned sheet from the Super Paper Pad to be the cover of your CD case. Measure and cut a rectangle that is 5 inches wide by 4¾ inches tall.

2 Place stickers from the Girls Sticker Pad onto the paper. Choose any stickers you like or use the same stickers shown in the project photo.

3 Slide the decorated paper into the front of your CD case.

4 Pick another patterned sheet from the Super Paper Pad. Measure and cut a strip of paper ½ inch wide by 4¾ inches tall. Glue the strip onto the outside of the case, covering the hinge on the left-hand side.
